Classroom placement is determined according to the Parent Policies by the Director, and depends upon factors including developmental readiness and classroom availability, among several others.

Parents provide lunch, snacks and milk/juice.

The family maximum Before/After Care rate is limited to 1.5 times that of the sibling with the longest schedule.

Arrivals or departures outside your child's registered enrollment schedule are strictly limited, and may incur the one dollar (\$1) per minute fee (see below) and/or Before/After Care invoicing to accommodate your child's actual pick-up and drop-off times.

For families who prefer the convenience of semester prepayment to monthly invoicing, a flat-rate discount is provided below.

Payment is due on the 25th day of the month preceding the semester or monthly billing period to which it applies.
